## Discussion of Potential, Future, Cooperation and Agreements

### Youth Archery Program

**Sign up Now!**

**Why Archery?**

Children have **FUN** doing archery. Additionally, archery has proven to increase attention, self-confidence, self-control, listening skills, and ability to follow directions.

Archery is a sport where children can experience complete acceptance, feel safe, and receive reward and recognition. Archery is not only a life-long skill, but a wholesome activity which can be enjoyed by anyone.

Many families are discovering archery as a quality way to spend time together.

### Arizona Nature and Wildlife Events Calendar

AWWTA is always adding new events to the calendar so visit the website often for updates! The "Nature Events" page is an easy and quick way to find the next lecture, hike or special event in the area where you are living or traveling to in the future. Please check with organizers before planning your outing to an event as dates, times and locations are subject to change; some events may require tickets, or may charge fees for attendance.
